TABLE OF CONTENTS

Foreword

"AS THE SWIFT SEASONS ROLL" from fall and winter into spring, we have worked together, played together, and matured into future leaders of the adult world. We have learned that the best books have not been written, the most natural portraits painted, the most deadly nuclear reactions conquered, the long awaited peace achieved—they are in our future. As citizens of a history that will be ours to determine, we have a duty to perform, a job to do, a challenge to meet.

Three flags fly over us. Each is a symbol of something we love: a school, a state, a nation. Each has a motto to inspire us: *Veritas Vos Liberabit* (the truth shall make you free); *Dum Spiro, Spero* (while I breathe I hope); and *E Pluribus Unum* (one out of many). The future of the nation is ours to make or break. The patriotism and pride which have been ours as members of the GHS student body will be ever present as we part from our beloved alma mater and take our places as adult citizens of our state and country.

The 1962 Nautilus endeavors to picture us as individuals bound by common interests, mutual friendships, and an unconquerable spirit—future citizens accepting a challenge.

Administration

THE ADMINISTRATION OF GHS provides the necessary guidance and leadership to establish a friendly atmosphere and pleasant conditions for growth in education and character.

On October 1, when Principal David L. Stanford was called to active duty in the Air Force, Donald L. Linn was elected by the Trustees to serve as principal until Mr. Stanford's return. Mr. Linn has taken a vital interest in the needs and desires of each student, and Miss Mel Lee Daniel, dean of girls, is especially concerned with the needs of girls. With Mr. Linn's promotion, William B. Phillips was made assistant principal. His close association with boys in the field of athletics equips him for understanding and helping solve student problems.

Business Education

THE BUSINESS EDUCATION DEPARTMENT, headed by Mrs.

Marion H. Lesesne, offers varied courses including type-writing, shorthand, bookkeeping, and business math. Skills gained from this wide selection of courses aid the student before, during, and after college as a means of livelihood, study, and research.

The FBLA, a club for future business leaders, enables students to further their interests in these subjects. Each year the FBLA, headed by Mrs. Rita B. Heape, attends annual national and state conventions, where many GHS'ers are elected to prominent offices. This year Nancy Townsend is serving as state secretary.

STUDENTS INTERESTED IN FURTHERING fluency of speech and cultural knowledge of foreign lands are offered study in Latin, French, and Spanish through the GHS language department headed by Miss Patricia Lupo. Language rooms are equipped with tape recorders, drill tapes, and foreign books and periodicals for reference.

Each year Latin students attend the Latin Forum at Winthrop college in Rock Hill, and French and Spanish students attend Modern Language day at the University of South Carolina in Columbia. At these events they enter contests, attend plays, hear speakers from foreign countries, and spend the day speaking the language of their choice.

THE MATH DEPARTMENT HEADED by Mrs. Margaret Graves, includes eight teachers who instruct students not only in practical uses of math but also in current mathematical disciplines and use of mathematical equipment which will be standard for many years to come. Seven different areas of math are offered to GHS students. Among these are algebra, geometry, and trigonometry which are available from beginning to advanced stages. The math department strives toward teaching advanced skills as the need for mathematicians in this country is ever growing. During the year, as projects, students are required to construct or draw tangible creations of geometric and trigonometric figures. These projects not only aid the teachers in their instruction but also help the students understand how the practical uses of math can be applied to everyday life.

STUDENTS SPEND MANY HOURS before, during, and after school exhausting the numerous facilities of the library. Here they have access to approximately 10,000 volumes of fiction and non-fiction, various periodicals, and ample reference material. They are able to read the latest magazines and newspapers as the library subscribes to approximately 65 magazines and three daily newspapers.

Through the study of infant's care, health, and the well being of individuals, students gain experience in home management. The home economics rooms are furnished with stoves, refrigerators, and sewing machines, to aid the girls in learning the fundamentals of cooking and sewing.

To further interest in this field, students taking this course may join and participate in the activities of the FHA, a club for future homemakers of America.

THE ENGLISH DEPARTMENT strives to develop in each student the ability to use correct English and to express himself in writing and in speaking. The department also provides a better understanding of the truths revealed through literature and of the principles of grammar.

The short story, novel, poetry, drama, and basic English are stressed in the sophomore year. A complete study of Shakespeare's "Julius Caesar" and Eliot's "Silas Marner" are made.

During the junior year, work is done in creative and research writing while further studies are made in American literature from colonial to contemporary writers.

Emphasized in senior English is the study of outstanding English literature including Shakespeare's "Macbeth" and Chaucer's "Canterbury Tales." A research paper dealing with some phase of English literature and a certain number of themes and additional book reports are required of advanced English students.

The journalism department headed by Mrs. P. N. Becton, is in charge of school publications: High News, GHS's weekly paper; Nautilus, yearbook; and Bits O' Lit, literary magazine. Staff members work during and after school to create, plan, and ready these publications for distribution.

Fine Arts

MRS. VIRGINIA ULDRICK
Choral music, dramatics

THROUGH THE WORK OF the Fine Arts department, talented students gain recreational and vocational instruction in the fields of music, art, and drama.

The chorus appears at the Thanksgiving, Easter, and Christmas student assemblies, performs outside the school for interested groups, and takes part in the spring music festival and commencement.

The GHS band presents concerts at assemblies, marches in parades, and provides music and entertainment at ball games and pep meetings.

GHS students are entertained on many occasions by the dramatics department. This year in connection with American Education week, Ben Davis wrote and presented an original playlet. Other productions are also given through the combined efforts of the choral music and dramatics departments.

Through the encouragement of the art department, many students have entered and won prizes for their work. In connection with the school, the art students design campaign posters, arrange bulletin board displays, and illustrate Bits O' Lit, GHS' literary magazine.

UNDER THE DIRECTION of Miss Nellie Burnette, the science department strives to increase the scientific knowledge of GHS students through instruction in biology, chemistry, and physics.

Numerous additions and improvements are made to the equipment and teaching methods each year. New laboratory equipment, including work counters, microscopes, a microtone, a centrifuge, and up-to-date models and charts, have been installed in the biology rooms.

A project, related to his subject, is required of each student taking chemistry or physics. Some of these projects are entered in the Science Fair held annually at Furman university.

To create further interest, the science department sponsors field trips to the gardens at Charleston, the atomic energy plant at Oakridge, Tennessee, and to the rhododendron gardens at Roane mountain.

Interested students are encouraged to participate in accelerated courses in understanding nuclear structures taught at Clemson college. In the past two years many GHS students have enrolled in these courses.

NINE REGULARS and five substitutes man the nine school buses operated by Greenville High. These buses bring 150 students to GHS each day and take an average of 600 students to other schools. Each driver must have had his driver's license for at least one year and have taken the bus drivers' training course offered by the South Carolina Highway department. Because of the strictness of require-

ments, drivers are qualified for adult insurance rates.

Mr. Norman (Smitty) Smith, custodian, is in charge of keeping the school clean and in order. He is also night watchman and locks the gates after night meetings.

The library assistants help the two librarians in rendering efficient service.

FOOTBALL BANQUET: The banquet closed the high school careers of fourteen senior players and finished the 1961 season for Coach J. A. Moore's Red Raiders. The stag affair was held in the GHS cafeteria December 18.

With Bill Phillips, assistant principal, as master of ceremonies, Lewis Rasor, student body president, gave the in-

vention. Principal Donald L. Linn introduced speaker Dode Phillips, a member of the Football Hall of Fame. Attending were players, fathers of senior players, and other special guests. Block letters and special trophies were given deserving players. To show their appreciation, players gave Coach Moore a reclining chair.

Baldwin scored on runs of six yards and sixteen yards. Jelks passed to Larry Kohn for a 22 yard touchdown. Carroll Thrift jarred Riverside on a 55 yard touchdown run. Riverside's only score was a three yard jaunt by Rick Cohen. This game helped fire up the Mooremen for the annual Turkey-Day clash.

RAIDERS RIP THE TORNADO 19-6

A rain-soaked stadium, with a viewing crowd of 8,000 and a fired-up Parker team could not stop the Red Raiders, as the mighty Mooremen piled up a 19-6 victory in the thirty-fourth annual Turkey-Day classic. In the 34 meetings, the Raiders have emerged victorious 22 times, Parker has won 9, and three have ended in a clinch.

The Raiders showed explosive running power. Ronnie Moore gained more yardage than the whole Parker team. The scores were made by Joe Jelks, David Baldwin, and Ronnie Moore. Moore kicked the only PAT, clearing the goal post by "only a raindrop." Jelks showed expert timing and faking.

The line played a tremendous game on both offense and defense. The offense opened up holes for Baldwin, Thrift, and Moore all afternoon, while the defense put stoppers in the Parker holes. Hats off to the line!

Fourteen seniors finished their football days in this big clash. They were Lynn Davis, John Creech, Phil Porter, Tommy Brown, Johnny Robinson, Carthel Crout, Mike Kellett, David Boggs, Norman Raines, Tommy Durham, Mike Hunter, Richard Papini, Ronnie Moore, and David Baldwin.

Alma Mater

*There is a school we love in Dixie Land,
'Tis Greenville High for which we take our stand.
There we are taught to fill in life a place,
There learn to do, to dare, to run the race.*

*Trueness and purity our colors show,
Red as the crimson and white as the snow.
Loyal to our motto may we e'er be,
Only through truth shall we be free.*

*Though we may wander far, whate'er our lot,
We'll ever keep the sweet lessons you have taught.
Our hearts will turn to thee in tenderness,
And pray God bless you, dear old GHS.*

Starting the season without one first string returnee and only two lettermen, Bill Bouton and Randy Harbour, the GHS cagers defeated their first opponent by two points and went from there to a 23-3 record including both the up-state and AAA state championships.

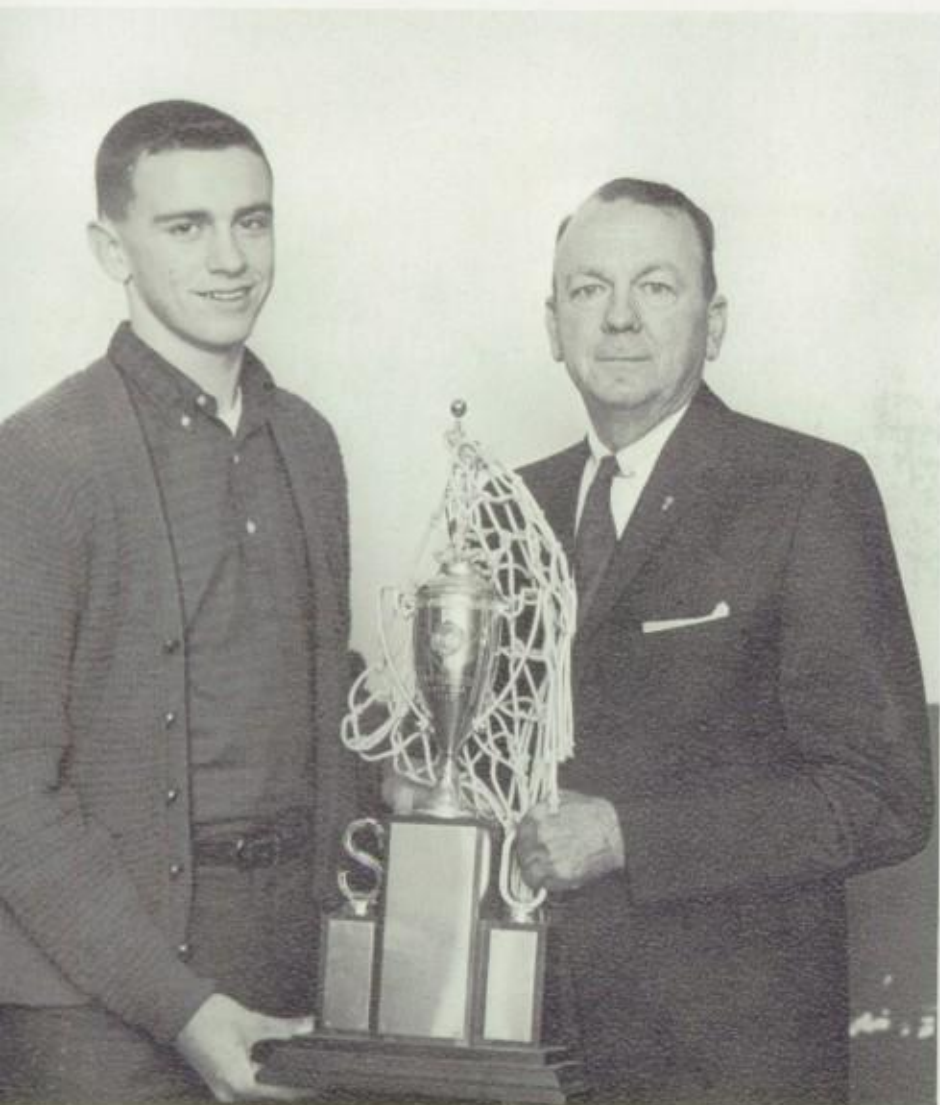

The Raiders lost their only up-state AAA game to the Wade Hampton Generals. Their other two losses were to Palmetto and to lower state champions, Dreher High. The big Reds handed Wade Hampton three defeats, Dreher one, but played Palmetto only once. Going into the up-state tournament, Greenville with an 18-3 record, defeated Parker in the opening game, Wade Hampton in the second bout, and Gaffney for the upstate championship.

The following Friday night, the Mooremen traveled to Columbia for the State AAA tournament. That night the Reds downed Brooklyn Cayce and Gaffney won over Dreher High. On Saturday night the Raiders stomped Gaffney for their first state AAA championship since the tournament began.

DIAMOND LORE and
DIAMOND LURE and
DIAMOND HERE and NOW

The sometimes fabled Diamonds of antiquity carried no greater charm of satisfaction than the Diamonds we are showing now. Come in and see them when you will. Let our 196 years of diamond handling be yours to command as we tell you the things about Diamonds that will allow you to draw hairlines of distinction in grading your application. Then let our enviable Diamond buying privileges be put to work to SAVE YOU MONEY in the Diamond purchases you from time to time make. We are not talking at random when we advise you that this is a good time, especially at the favoring prices we are now able to offer — to buy DIAMONDS. YOU MUST BUY VALUE IN DIAMONDS IF WE MAKE THE SALE.

Our Complete Jewelry Manufacturing Facilities — right on the premises — are yours to make use of, no matter on how quick call — for remounting, for modernizing of jewelry pieces of cuttings and the like.

BOB JONES UNIVERSITY

GREENVILLE, SOUTH CAROLINA

THE "*World's Most Unusual University*" PROVIDES
FOR YOU AN **UNUSUAL** EDUCATION. TALLY THE SCORE
FOR YOURSELF:

TODAY'S APPROACH TO EDUCATION:

No authoritative basis of truth

- + Little emphasis upon the necessity of self-restraint and discipline
- + Complete neglect of the spiritual

= THE CONFUSING, DANGEROUS
EDUCATIONAL PROGRAM OF
TODAY'S HIGHER EDUCATION

THE CORRECT APPROACH TO EDUCATION:

All subject matter taught in relationship
to the authoritative Word of God

- + Character development through reasonable, Scriptural discipline
- + Scholarly, academic training plus spiritual emphasis

= A TRUE, THOROUGH EDUCATION,
BUILDING LIVES AND CHRISTIAN
LEADERSHIP

No education is complete which trains only the mind; no mind is completely trained which lacks a knowledge of the truths of God's Word; and no life is a useful life which is lived apart from the principles of God's Word.

IF YOU DESIRE A COMPLETE EDUCATION—A CHRISTIAN EDUCATION—
THEN BOB JONES UNIVERSITY IS THE PLACE FOR YOU.

Music, speech, and art without additional cost above regular academic tuition.
Institute of Christian Service, Academy, and seventh and eighth grades in
connection. Graduate School of Religion . . . Graduate School of Fine Arts.

TO MIZ B. . . .

For the past twenty years Mrs. P. N. Becton, director of journalism, has been an invaluable adviser of GHS publications. She began her work as adviser of the Nautilus in 1942 and in 1943 she became adviser of High News and teacher of journalism. Since that time she has perfected both publications and initiated the printing of Bits 'O' Lit, the school biannual literary magazine. She is also in charge of the printing and selling of football programs and the compiling of the student handbook. Due to the fact that Miz B, as she is called by her students, has resigned to take a position as English teacher and yearbook adviser at Christ School in Greenville, the 1962 Nautilus staff would like to take this opportunity and speak for all of her students and friends throughout the years to express our deepest gratitude. Because of her humbleness, this small expression of our respect and love for Miz B. has been done without her knowledge.

To you Miz B. go our best wishes for happiness in the future for you have not only been an excellent guide but a true friend.

Remind me for a day, and
Person to me, and I shall
always be grateful.
